MEMORANDUM FOR THE RECORD

SUBJECT: Call from Senator John Tower's Office

1. Mr. Keener, in the Austin office of Senator John Tower (R., Tex.), called yesterday for information on one [] a constituent who is seeking assistance for employment with the State Department. Mr. Keener said [] stated that he previously had worked for the Agency as a contract employee and had applied for a permanent position, but had received no word. Mr. Keener emphasized that [] who is currently unemployed, was making no complaint against the Agency, but merely seeking assistance for employment with State.

2. After checking with the Office of Personnel, I informed Mr. Keener that [] had a good record with the Agency; that he had resigned for personal reasons and at that time there were limited vacancies for permanent employment, and that there is no suitable vacancy for rehire at this time. Mr. Keener thanked us for the information and repeated that their primary interest in contacting us stems from [] request for assistance and that they did not want to make a recommendation to State until they had checked him out.
